[illegible]

This architectural floor plan shows a house with several rooms and a central hallway. The layout includes:

- Top Left Room:** A room with a width of 270 and a depth of 393, containing a bed and a desk.
- Top Right Room:** A room with a width of 362 and a depth of 280, containing a bed and a desk.
- Bottom Left Room:** A room with a width of 330 and a depth of 314, containing a bed and a desk.
- Bottom Right Room:** A room with a width of 302 and a depth of 202, containing a toilet and a sink.
- Central Hallway:** A hallway with a width of 7, featuring a dashed line indicating a curved path.
- Staircase:** A staircase with a width of 314 and a depth of 197, located in the bottom right area.
- Entrance:** An entrance door is located on the left wall, with a width of 400.
- Windows:** There are windows on the top and bottom walls, with a width of 400 for the bottom window.
- Other Features:** The plan includes various furniture items like beds, desks, and a toilet, as well as architectural details like doors and a staircase.

A floor plan of a room with a thick dark border. The room is rectangular with dimensions 722 (vertical) and 647 (horizontal). In the center of the room is the number 12. There are four small squares with an 'X' inside, located at approximately (370, 330), (720, 330), (370, 670), and (720, 670) in a 0-1000 coordinate system where (0,0) is the top-left corner. On the right side, there is a staircase with a landing and a door. The door is labeled with a small square containing a plus sign and the number 4. The staircase has a railing and a set of stairs leading up to the landing.
